

NEW FOR 2008

Limited number of **FREE** childcare places using your child's Education Grant for 12.5 hours a week during term time.

Spring 2008 in the City of Newcastle

You can now use your child's education grant to gain free care in our pre-school for 5 x 2.5 hour sessions a week. These can be taken as mornings, afternoons or as a block of two and a half days. (subject to usual terms on price list)

Should you wish to increase this 2.5 hour session to our full 5 hour morning/afternoon sessions or full days then additional hourly charges apply

Full session **£10 per 2.5 hours is payable.**

Full day **£20 per 2 x 2.5 hours is payable which includes lunch**

NB Should you want several add on sessions it will be more economical to go off our price list and work out a weekly cost.

eg 2.5 days a week would cost £76.50 less your child's education grant of £51 (spring term 08) which would leave you with a cost of only £25.50 a week to pay.

This is then subject to tax relief if you or your partner are a standard rate tax payer which can reduce the real cost still further by another 25% ie another £6.37 leaving only £19.18 to pay.

Ask your manager to work this out with you when you complete your registration form.

Remember it is your choice and you do not have to send your child to school too early. We are here to work with you as your families partners in care and education making life choices that little bit easier and better.
